

“ Mi casa es su casa “

Cancun Training Center

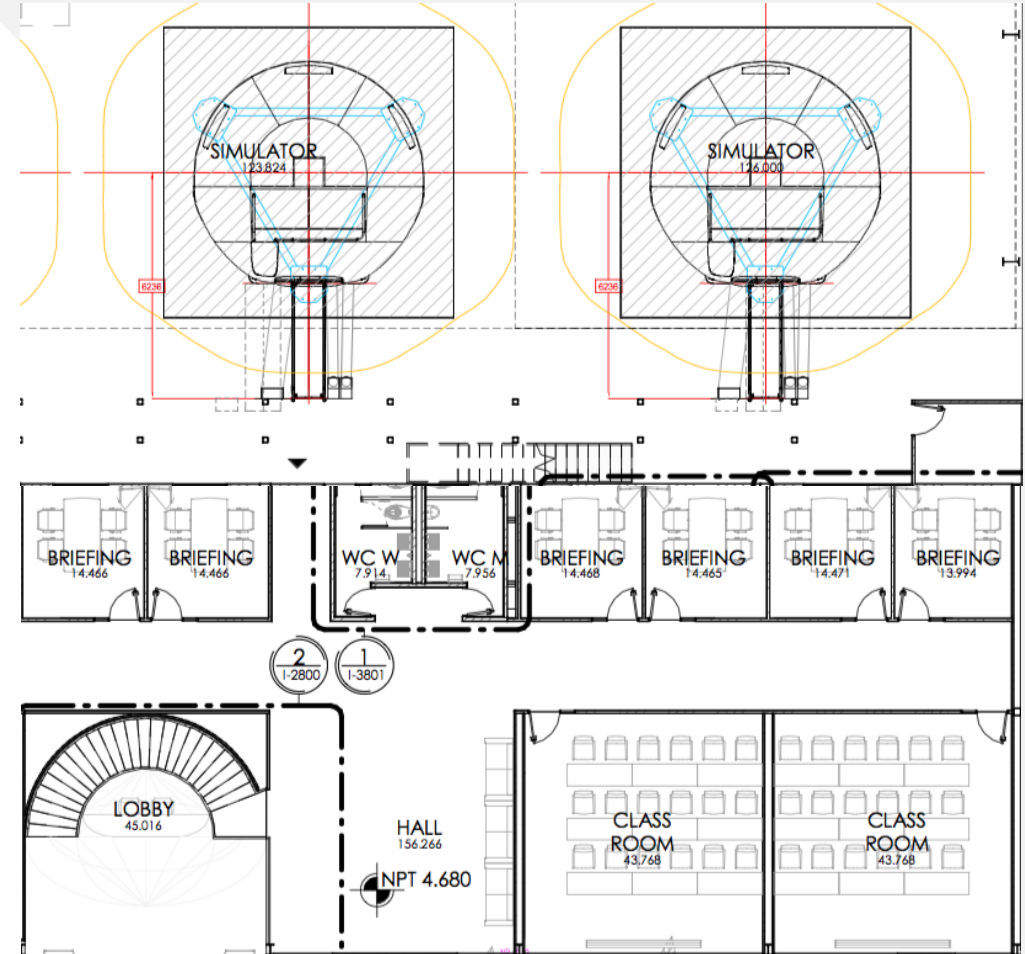

Cancun Training Center

1st Floor

Located 15 minutes from Playa del Carmen, the AFG Training Center in Cancun is the perfect place to provide training services to the Caribbean, North, Center and South America

2do Floor

Cancun Training Center

Opened in November 2018 the training center is fully equipped for theoretical and practical instruction

Cancun Training Center

In addition to its office area, meeting room and classrooms, we have space for 5 bays for simulators

Cancun Training Center

We have the most technologically advanced simulators you can find anywhere in the world.

Cancun Training Center

The Training Center was provided with the best training technology and spaces conceived from the beginning for the training of pilots, flight attendants and ground personnel

Cancun Training Center

Rest and cafeteria areas comfortably accommodate all users

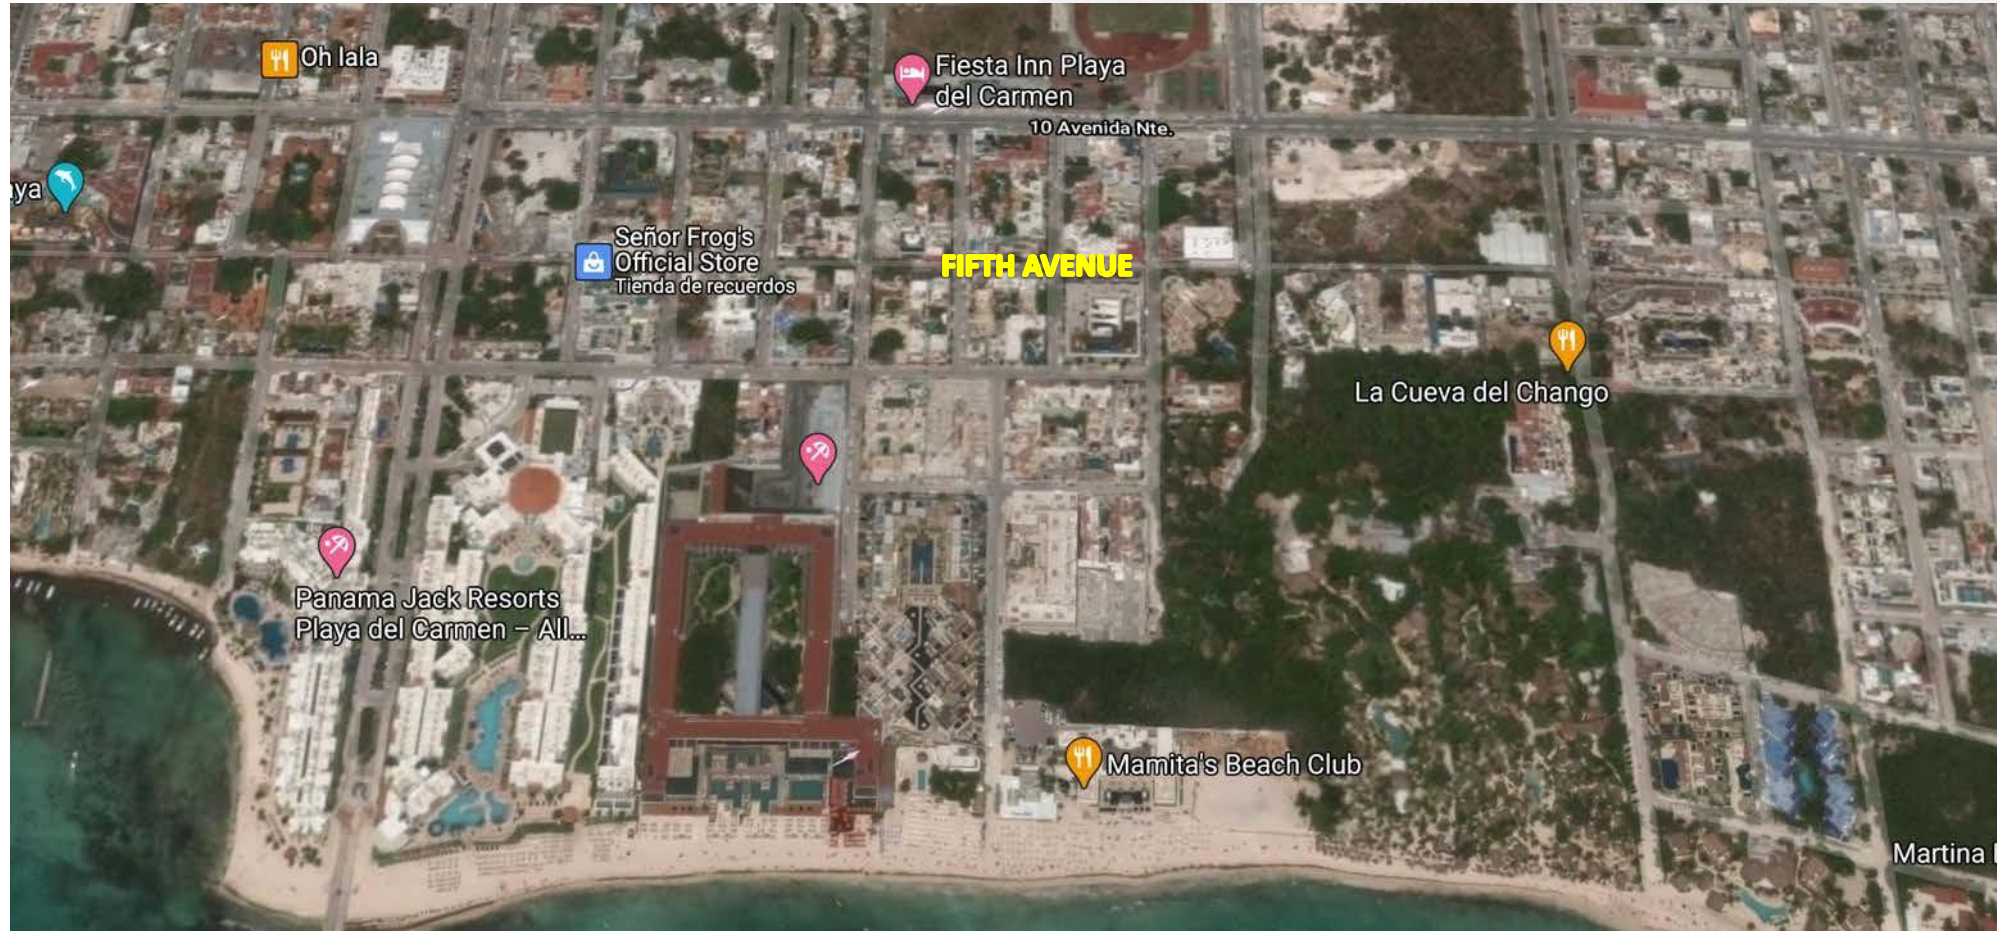

Cancun Training Center

This executive hotel offers comfortable facilities just a few minutes from the Training Center as well as the main commercial area of Playa del Carmen

Cancun Training Center

After their training, the crews can relax without the stress of traffic, pollution, which provides added value and a sense of belonging to the company as it is the only one with a Training Center in the Mexican Caribbean.

Cancun Training Center

The lodging service includes a hot breakfast and various food areas within the hotel itself

Cancun Training Center

With two pools and a gym this hotel is an excellent option for crews

Cancun Training Center

Hacienda Tres Ríos is a high-end hotel with a collaboration agreement with AFG to provide accommodation for crews, which is located just 6 minutes from the Training Center

Cancun Training Center

*With first-class rooms
and a private beach,
Hacienda Tres Ríos is an
excellent lodging option
for crews*

Cancun Training Center

Hacienda Tres Ríos has a Private Cenote, as well as multiple food options

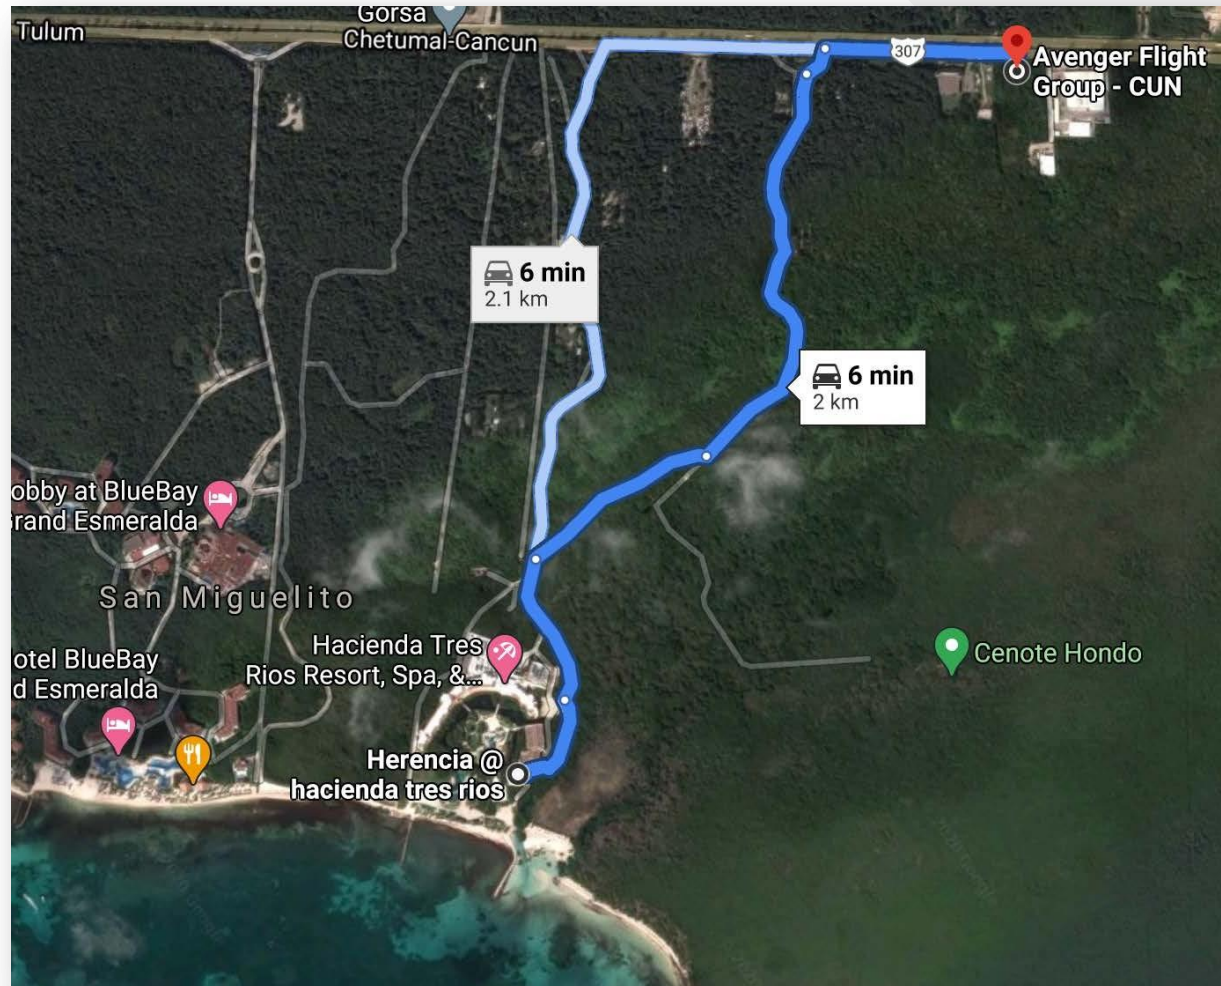

Cancun Training Center

Accommodation that provides ample security for crews with facilities that satisfy all tastes and provide an excellent rest option during training

Cancun Training Center

Transportation from the hotel to the Training Center is a mere 1.5 miles, so the transfer is very fast and convenient
